

There is a better way to do benefits. NN NAVA

Nava is a modern benefits brokerage. We help growing businesses save 8+ hours a week by simplifying renewals, audits, and employee support so you can focus on people, not processes.

What you get with Nava

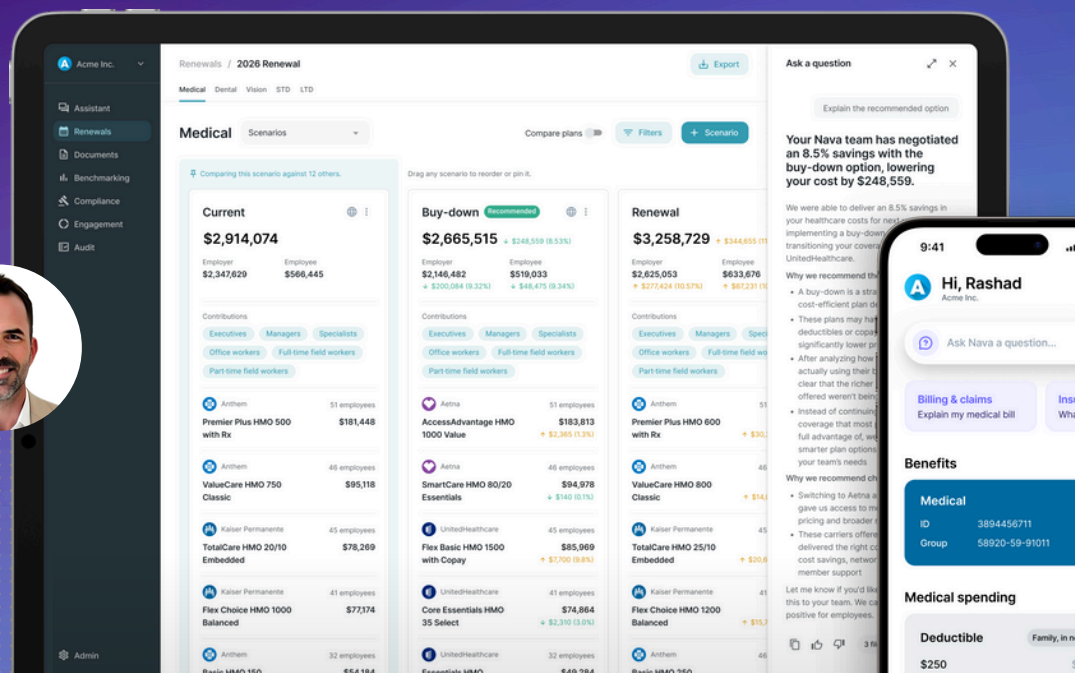

Nava is your **all-in-one benefits platform** that works alongside your HRIS. We combine experienced consultants with the latest technology. **Nava HQ** replaces manual spreadsheets and ghosted support with real-time modeling, AI tools, and 24/7 support so HR teams win back their time.

HR gets:

- Dedicated expert support and personal AI assistant
- Run renewal scenarios in seconds
- Automatic enrollment audits
- No hidden fees and transparent pricing

Employees get:

- 24/7 support from AI + expert advocates
- Digital ID cards and provider search
- Real time medical spending
- Plan decision support for open enrollment
